Extended Care Information Sheet

Preschool-8th grade After-School Extended Care

Students in preschool-8th grade may stay for our Extended Care program after school Monday-Thursday. Extended Care begins at 3:30pm, and parents may check-out their children anytime before 5:30pm. When the weather is nice, the majority of Extended Care happens outside at our park/playground. On inclement-weather days, students stay inside the school building for crafts, games, activities, and free play.

Goals for Extended Care:

- safe and fun playtime for children, as a support for families who are unable to pick up students immediately after school
- healthy communication, problem-solving, and conflict resolution
- completion of homework as appropriate

Guidelines for Parents:

- Please pack a snack for your child to eat after school.
- Students should have appropriate clothing and gear to play outside most days.
- When inside, extended care will be in the gym area.
- ALWAYS check out your child so Extended Care staff know when you leave.
- Extended Care ends at 5:30pm. If you will be late, please call 722-1276.
 - Late Fees after 5:30pm: 5-15 minutes: \$5; 15-30 minutes: \$10; 30-45 minutes: \$15.
