In addition to the above, PLEASE CHOOSE ONE OF THE FOLLOWING TWO OPTIONS

OPTION 1:

Purchase a \$50 Walmart gift card.

In lieu of purchasing the bulk of school supplies that are required throughout the year (pencils, crayons, ruler, erasers, notebooks, pencils, paints, glue sticks, play doh, dry erase markers, boxes of snacks for sharing, multiple sets of markers) you may choose to supply the school office with one Walmart gift card in the amount of \$50 to cover the cost of these additional supplies which will be purchased by the kindergarten teacher. Some families may find this option to save both time and money. Additionally, this option provides a benefit to the teacher as she has limited storage space and can purchase supplies throughout the year as they are needed, instead of receiving everything at the beginning of the year.
